Please be advised that the County of San Diego Department of Environmental Health Solid Waste Local Enforcement Agency received and has accepted an application for amendments to the Report of Facility Information (RFI) for Fallbrook Recycling and Transfer, a Solid Waste Transfer Station. The LEA is certified by the California Integrated Waste Management Board (CIWMB) to enforce state laws and regulations at solid waste facilities within the County of San Diego.

Description of Proposed Changes: The operator has submitted RFI amendments to update: list of operational equipment utilized at the facility, types of universal and electronic wastes accepted, traffic flow plan, load check screening program, emergency contact information, and site security.

LEA Findings per §21665(c): The County of San Diego Solid Waste Local Enforcement Agency finds the proposed changes are consistent with California Environmental Quality Act documents;

the proposed changes are consistent with all State Minimum Standards; and the proposed changes do not conflict with the existing Solid Waste Facility Permit (SWFP).

Where can a copy of the permit application can be reviewed?

A copy of the permit application is available for review by appointment at the Department of Environmental Health office located at 9325 Hazard Way, San Diego.
